O Banzo

Mestre Beicola

O que que o banzo é
E a morte singela
De negro sofrido
Sem paz e sem fé

*What is the Banzo
It's the subtle death
Of the suffering black
With out Peace and without faith*

O negro chegou aqui
Nessa terra de ninguém
Foi trazido como escravo
Pra trabalhar sem recompense
Na meséria e na doença
Pra inriquecer que governava.

*The black got here
In this land of nobody
He was brought as a slave
To work without being compensated
In misery and in sickness
To enrich whoever was his master*

O que que o banzo é.....

What is the Banzo...

Nessa terra de ninguém
O negro ainda tinha fé
Nos deuses no guias nos mitos
Na Umbanda, Quimbanda, Candomblé
Trabalhava, dava duro
Nessa terra sem futuro
Se perdia in agonia
Triste passava seu dias

*in this land of nobody
The blacks still had faith
In the gods, in the amulet and in the myth.
In the Umbanda, Kimbanda, Candomblé
Worked, worked hard
In this land with future
Got lost in agony
Sad were his days*

O que que o banzo é.....

What is the Banzo...

Da vida o negro desgostava
Era o Banzo que chegava
Com a morte muito lenta
Sem ferida sem doença
Que o negro no aguantava
E no colo de Deus repousava

*The of life the black would give up hope
It was the Banzo coming back.
Through a very slow death
Without injury without disease
That the black couldn't resist
And in the lap of God he would rested*
